“We the undersigned petition the council to Explain why the community was not adequately informed about the consultation for the Draft Local Plan.

SDC must explain – why the community was not informed about the consultation for the Draft Local Plan by letters marked ‘Important’ posted to ‘The Householder’, as with communications re Planning Permission – why such a short time period, mostly during the holiday period, was given for the consultation – why community representatives, including Parish Councils, were not made aware of it in good time, especially given the summer break.

This ePetition runs from 25/09/2018 to 30/10/2018.”

The NO Hartley Expansion Committee need 1000 signatures to force the full council meeting on 20/11/18 to discuss this matter in public.

Let’s keep the pressure on our elected representatives.
